

MINIMIZING RISKS WHILE MAXIMIZING EFFICIENCY

Enhance workflow and safety in your healthcare facility with our durable and agile Phlebotomy roll stand. It provides an ergonomic workspace that improves efficiency and safety for both your staff and patients

✓ **MANEUVERABILITY & DURABILITY**

An impact-resistant nylon fiberglass base with 5 double casters ensures smooth mobility and long-term reliability

✓ **ERGONOMICS & USER COMFORT**

This lightweight, compact roll stand is easy to move with its handle and wheel brakes, offering convenient access to essentials while seated

✓ **STORAGE SAFETY & FLEXIBILITY**

Clear tilt bins, a vial rack, and a hazard bin keep supplies organized. This setup makes high-risk work safer for staff and patients
