

THE JACK-OF-ALL-TRADES YOUR TEAM CAN RELY ON

Our double-jointed arm roll stand is designed for multiple tasks across your hospital, empowering your staff. Flexible and ergonomic, it's easy to move wherever needed while keeping your tablet locked and secure

✓ FLEXIBLE & ARTICULATED

Adjust our double-jointed arms to any position your task requires, and rotate or tilt your tablet for comfortable viewing

✓ LOCKED & SECURE

With a double-locking system, release button, and keys, you can rest easy knowing your tablet is safe

✓ ERGONOMIC DESIGN

A round base with high-quality wheels and a sturdy handle makes it easy to maneuver, even in the busiest hospital settings

HAVE A SPECIFIC ACCESSORY IN MIND?

Our R&D team is ready to develop custom solutions in case of larger orders
